WINTER WEATHER

When weather conditions are expected to affect school delays or cancellations in Franklin County you **must** give a text or call to Michelle's cell or verbally to Michelle before 6:15 am the day of the delay. Simply just text "yes s/he will be here or no s/he will not be here". If no text/call is received **by 6:15am care will not be available for your child that day** (payment will be expected). We will attempt to put a message in the "Daily Gram" the day prior, but we are not always aware of weather conditions before writing the daily gram.

PERMISSION TO PHOTOGRAPH

I give Michelle Rubin, Janet Veaudry, Kellie Bryant, Heather Bernard, Abigail Rubin, Jayna Rubin and Cassi Millett, permission to photograph my child (with either stills or motion). Photographs may be used in children's artwork, bulletin boards, displays, flyers, newsletters, website, Happy Hands Facebook page and shared with other parents.

PERMISSION FOR BOOK BORROWING

I take responsibility for the books that are sent home on a daily basis from "Happy Hands Child Care". I agree to reimburse Happy Hands Child Care for any book that is not returned. I further agree to read the stories to my child or for my child to read the story to me. If we do not have the opportunity to read it on the first night, I will keep the book an additional night so we may have the chance to read the story together.

PERMISSION TO TRANSPORT

I give Michelle Rubin, Janet Veaudry, Kellie Bryant, Heather Bernard, Abigail Rubin, Jayna Rubin and Cassi Millett permission to take my child off the premises of Happy Hands Child Care, using personal vehicles of staff, parents vehicles or by walking for the following excursions: Discovery Center in Turners Falls, Greenfield, Turners falls, Millers Falls, and Montague Libraries, Greenfield and Frontier Schools, All Greenfield Savings Banks, in and around Franklin County.
